

Most students struggle to answer the ever so popular question, “What will I be when I grow up?” Preparing special education students to leave high school and enter the world of work or post secondary education can be a daunting task for any parents or guardians. To make the transition smoother, the Phoenix Union High School District hosts two College, Career and Life Expo’s aimed at connecting student’s and their parents with representatives from state agencies, non-profit organizations, colleges, supported living agencies, advocacy groups and potential employers.

This year’s Expo will be held February 3rd 2011 at Cesar Chavez High School located at 3921 West Baseline Road in Laveen, Arizona. The expo will feature two FREE workshops on popular topics such as “Guardianship” presented by Raising Special Kids and “College 101” presented by College Depot. Both workshops are 2 hours in length will be presented from 3:30 p.m. to 5:30 p.m. The Expo will be held from 4:00 p.m. to 6:30 p.m.
